

Experimentation

Think different

- Look for patterns
- Don't stop experimenting
- Learn other languages
- Break old habits

Rust

Swift

Books

Ditch some old PHP books (except PHP 6 books)

- Domain-Driven Design in PHP - *Carlos Buenosvinos, Christian Soronellas and Keyvan Akbary*
- Dive Into Design Patterns - *Alexander Shvets*
- Front Line PHP - *Brent Roose*
- Thinking Functionally in PHP - *Larry Garfield (crell)*
- Object Design Style Guide - *Matthias Noback*
- The Clean Architecture in PHP - *Kristopher Wilson*
